

Do your eyes make you look older?

Are they tired-looking or puffy? Are there dark circles or wrinkles around them? Introducing Eye Area Complex, a potent combination of ingredients designed to target the specific needs of the eye area: Natural peptides and botanicals to reduce the appearance of under-eye puffiness and fine lines and wrinkles; Vitamins C and E, and Green Tea to encourage skin-firming collagen production; and Glycosaminoglycans and Chondroitin Sulfate to brighten dark circles; all in a rich, moisturizing base that softens and hydrates. The result? A fresher, younger-looking eye area... have it today!

Eye Area Complex

Eye Area Complex contains a combination of ingredients designed to improve the appearance of periorcular skin. These ingredients include topical anti-oxidants, short-chain peptides and botanicals in an emollient vehicle.

Directions: Apply a thin film to eye area 1-2 times daily, or as directed.

Precautions: For external use only. Avoid contact with eye and mucosa. If contact occurs, rinse well with water. If irritation, redness or itching occurs, discontinue use and consult physician. In case of accidental ingestion, seek professional assistance or contact a Poison Control Center

immediately. Do not use if pregnant or nursing. Keep out of reach of children.

Contains: Contains: Water, Acetyl hexapeptide-8, Butylene glycol, Ethoxydiglycol, Palmitoyl hexapeptide-14, Lycium barbarum fruit extract (Goji berry), Camellia oleifera (Green Tea) extract, Glycosaminoglycans, Sodium chondroitin sulfate, Cetearyl alcohol, Cetearth-20, Glyceryl stearate, Hexyldecanol, Bisabolol, Cetyl hydroxyproline palmitate, Stearic acid, Brassica campestris (Rapeseed) sterols, Tetrahexyldecyl ascorbate, Glycerin, Hesperidin methyl chalcone, Steareth-20, Dipptide-2, Palmitoyl tetrapeptide-3, Di C12-13 Alkyl malate, Isopropyl palmitate,

Tocopheryl acetate, Niacinamide, Dextran, Caprooyl tetrapeptide-3, Petrolatum, Cyclomethicone, Evodia rutaecarpa fruit extract, L-Ergothioneine, 1,2 Hexanediol, Caprylyl alcohol, Sodium hyaluronate, Acrylates/C10-30 alkyl acrylate crosspolymer, Trolamine, Allantoin, Potassium sorbate, Sodium Benzoate and Edetate disodium.

How supplied: 15 g in airless pump containers.
